

## Maybelle Hassler Memories

My name is Maybelle Harriet Hassler and I was born in 1908 and I'll be 88 years old on May 23, 1996. I'm a Gemini on the cusp of Taurus. I've lead a very busy and interesting

there. He was a patient man—

miss him every day. He died in 1977 of prostate cancer. He wouldn't quit teaching when he found out and he waited too long. He loved kids. We wanted kids in the world's worst

and a gal. They have a piano on wheels and they moved it around. They made money singing songs. There is nothing like that now—but we used to sit up on the balcony and

to get a golf club but I said to myself, "Oh, no," cause they'd have killed me. I walked

We moved to Hollywood, Calif. in 1941. Uncle Bob, Carl and Gerald were out here—most of them lived in Altadena. I had to keep dancing because Bud had to be in Los Angeles six months before he could work—
